

Recommendations. PLEASE:

- Respect protected areas and 'no camping' signs.
- Use only official or private stopover sites (nomady.ch).
- Pay the visitor's tax at the tourist office.
- Seek permission first from the landowner/site operator.
- Light campfires only in purpose-built fireplaces/pits.
- Do not disturb the wildlife and keep noise to a minimum.
- Do not enter cattle pens and always close pasture gates behind you.
- Keep your dog on a lead (especially at night, dawn and dusk).
- Leave no trace. Take your rubbish home.
- Do not wash dishes in water courses.

Responsible visitor behaviour

Motorhomes and campervans

Wild camping with motorhomes and campervans is a popular and immersive outdoor pursuit. But with this privilege of experiencing nature up close comes responsibilities. Certain areas of the Gruyère Pays-d'Enhaut Regional Nature Park are more vulnerable than others and have special protection status. We therefore kindly request that you follow the relevant rules and regulations at all times (see below).

Legal restrictions (see map overleaf)

Brown zones: Federal game reserves

- No camping

Green hatched areas: Nature reserves

- No camping
- No dogs (Pierreuse and Vanil Noir)
- No off-track walking (Vanil Noir)
- No campfires

Château-d'Œx (commune)

- Stopovers in public areas are prohibited except on local authority-approved sites.

Restricted areas / Motorhomes, campers and caravans
